ROSALIE TOUCH ASSOCIATION JUNIOR AND YOUTH TOUCH

Information for Parents and Players

Welcome to Junior and Youth Touch at Rosalie Touch Association. We hope that you will grow to enjoy the game for fun and fitness as we do! Touch is an excellent sport for all ages and genders, catering for social players through to the elite. As well as building on passing, catching, and running skills, Touch relies heavily on the key social skills of honesty, teamwork and communication. Rosalie Touch Association is an incorporated body and has been running a senior competition since the early 1990s and a Junior Competition since 2012. We have a long history of running one of the best competitions in WA and are affiliated with Touch Football Australia.
